AIR • WATER • EARTH

Knitting is a conversation between fibers, your hands, and imagination. So, this collection is divided into three corresponding themes, each inspired by a natural element —air, water, and earth. The fibers we work with come from the earth, rooted in nature and shaped by time. Our hands move like water, flowing smoothly through the yarn, guiding each stitch with rhythm and purpose. And imagination, like air, is invisible yet vital, giving breath to creativity and transforming a simple yarn into something meaningful. But just as the world is incomplete without fire, the patterns in this book are nothing without your spark of creativity. It is your hands, your choices, and your personal touch that bring them to life!

NEW!

PROMISE

This lightweight yarn is a **PROMISE** of pure joy for your next knitting project. A delicate cloud of merino fibers is gently held together by a fine nylon mesh, creating a yarn that is not only incredibly soft but also wonderfully lightweight. We **PROMISE** that every stitch will bring comfort and delight!

BREATH OF AIR

STANDING ATOP A WINDSWEPT HILL, BREATH OF AIR INVITES YOU TO TAKE IN THE WIDE, OPEN VIEW. THIS SERIES OF AIRY, LIGHTWEIGHT KNITTING PATTERNS IS INSPIRED BY THE WAY A GENTLE BREEZE CAN SHIFT YOUR PERSPECTIVE—LIFTING, RESHAPING, AND REVEALING NEW POSSIBILITIES. JUST AS THE WIND DANCES THROUGH OPEN FIELDS AND CITY STREETS, THESE DESIGNS EMBRACE MOVEMENT, FLUIDITY, AND EFFORTLESS GRACE.

EACH STITCH IS A REMINDER THAT PLANS CAN CHANGE, AND SOMETIMES, ADAPTING TO THE CURRENTS LEADS TO SOMETHING EVEN MORE BEAUTIFUL. WITH DELICATE TEXTURES AND OPENWORK THAT SEEM TO FLOAT LIKE CLOUDS, THESE PATTERNS ENCOURAGE LIGHTNESS IN BOTH FABRIC AND SPIRIT.

SO, TAKE A DEEP BREATH, FEEL THE WIND ON YOUR SKIN, AND LET YOUR NEEDLES FOLLOW THE RHYTHM OF THE BREEZE.

WHISPERS OF THE OCEAN

INSPIRED BY THE ENDLESS RHYTHM OF WATER—SHIFTING, SWAYING, AND CARRYING TIME ITSELF— WHISPERS OF THE OCEAN IS A REFRESHING COLLECTION. EACH STITCH IS A MARKER IN THE CURRENT, A FLEETING MOMENT TRANSFORMED INTO SOMETHING LASTING. LIKE THE GENTLE PULL OF THE TIDE, THESE DESIGNS EVOKE FLUIDITY, MEMORY, AND THE EVER-CHANGING NATURE OF THE WORLD AROUND US.

INSPIRATION SOMETIMES ARRIVES IN A RUSH, LIKE WAVES SURGING ONTO THE SHORE, AND AT OTHER TIMES, IT DRIFTS IN SLOWLY, LIKE MIST ROLLING OVER THE HORIZON—BOTH SHAPING US IN WAYS WE DON'T ALWAYS REALIZE.

AS YOU KNIT, LET YOUR HANDS FOLLOW THE RHYTHM OF TIME ITSELF, EMBRACING THE MOMENTS AS THEY COME, AND LETTING THEM FLOW, STITCH BY STITCH, INTO SOMETHING BEAUTIFUL.

PULSE OF THE EARTH

THE EARTH HUMS WITH A QUIET RHYTHM—STEADY, ANCIENT, AND EVER-PRESENT. PULSE OF THE EARTH IS A CELEBRATION OF THIS CONNECTION, AN ARRAY OF KNITTING AND CROCHET PATTERNS THAT HONOR THE SLOW, GROUNDING NATURE OF HANDMADE CRAFT. EACH STITCH IS LIKE A HEARTBEAT, A LINK BETWEEN HANDS AND FIBERS, BETWEEN SELF AND SOIL. WORKING WITH NATURAL MATERIALS ALLOWS US TO RECONNECT WITH THE LAND, TO FEEL ITS PRESENCE IN EVERY STITCH.

IN A WORLD THAT MOVES FAST, CRAFTING OFFERS A MOMENT OF STILLNESS, A WAY TO LISTEN TO THE EARTH AND TO OURSELVES. THROUGH RHYTHM AND REPETITION, WE TAP INTO SOMETHING DEEPER—AN UNSPOKEN DIALOGUE WITH NATURE, A REMINDER THAT WE ARE PART OF ITS CYCLE. WITH EVERY STITCH, WE ECHO THE PULSE OF THE EARTH, GROUNDING OURSELVES IN THE BEAUTY OF SLOWNESS AND CREATION.
