“The Kiss (Klimt)”

**NEW**

“The Kiss” by Gustav Klimt

The Kiss (lovers) was painted by the Austrian Symbolist painter Gustav Klimt between 1907-08.

The painting depicts a couple embracing, their bodies entwined in elaborate robes.

The painting is now on display at the Österreichische Galerie Belvedere museum in the Belvedere Palace, Vienna, and is widely considered a masterpiece of the early modern period. It is a symbol of Viennese Art Nouveau and is considered Klimt's most popular and valuable work of art.
