

# COLOUR **S** SHAPER

# CATALOGUE

The unique silicone-tipped artist's tool

# SOFT IVORY TIPS

These soft tips are designed to be responsive with fluids and soft colours. Blend and mix, or use on a flat surface. Made a mistake? They also remove paint with great accuracy.

Containing 2 shapers and 2 specially selected pastel brushes

9. Size 2

**Code:** CSH15902

10. Size 6

**Code:** CSH15900

# FIRM GREY TIPS

Firm tips offer a good amount of resistance for extraordinary control over polymer clay, heavy body and paste paints. Have a go at working on a wet surface, and then simply clean with water or if the medium has dried, just peel off!

# BLACK TIPS

Clay shapers are much firmer and best suited to sculpting, ceramics and modelling. Not just for clay, try with plasticine, wax, plaster and heavy body paints.
