TRENDS FOR SPRING /SUMMER 2021

Colour themes:

colour splash – pastel pleasure – summer refresh

LANG

Y A R N S

This colour theme reminds you to live on the colour edge. Let purple seduce you, wear the softer lilac colours and melt into colours of the sun set. It does not have to be too sweet or too loud to make you shine. Magnificent light knitted designs that take you on a breath-taking journey. Beautiful structures are intertwined to create an exciting effect over and over again. Create your own colour explosion! Use all the colours you need, splash around and create a masterpiece.

LANG

Y A R N S

It is easy to find such great pleasure in soft and icy pastels... with just a few drops of pale pinks and some slightly different salmon tones which are so easy to blend. These colours come together beautifully like a watercolour painting. It is no understatement to compare these knitting pieces with contemporary art. As soon as you feel our new qualities glide easily over your needles, you never want anything else.

LANG

Y A R N S

This theme of colours also holds hidden gems. It is so easy to experience a feeling of refreshment between the colours. Fresh light green, warm bright yellow, sweet melon colours or burgundy red... You will always feel good, no matter which colour you choose from this collection. Because the range of colours is so wide, it suits both Spring and Summer. With these colours and knitted designs, you can refresh your wardrobe with ease.

A heavenly ball of wool!

Our ALPACA SOXX 4-ply is made up of 70% superfine alpaca and 30% durable nylon. Also, the production process for this yarn is very eco-friendly and it is machine washable on a wool programme up to 40 degrees. Easywash is an enzyme treatment for alpaca fibres, which completely dispenses with any need for environmentally harmful chemicals.

Easywash is certified by Ökotex, Bluesign and Reach.

Both soft and firm materials are mixed to create a magical result. The way the yarn is spun is as unique as the yarn itself. Soft cotton is embraced by hemp, creating an even better stitch definition. In addition, Kimberley, has an exciting light tweed effect. This yarn will never get out of style.

WA #6

F/S 2021

Jennifer Koch / London

The yarn is for knitters,
what is the stone for sculptors,
the wood for carpenters and the fabric for tailors.
In the best case a source of inspiration,
but at least the raw materials for realising creations.

For several years LANGYARN is collaborating with Jennifer Koch.
First Jenny was modelling for the FATTO A MANO productions.
Jennifer, raised in Germany and daughter of German-Korean parents,
is not only working as a model,
she also graduated with a Master in Knitwear Design
at the Royal College of Arts in London.
The 2021 spring/summer WOOLADDICTS collection is designed by Jennifer
and inspires through the profound understanding
of shapes and stitches of the designs.

WOOLADDICTS

BY LANGYARNS

The background of the image is a misty forest. In the foreground, there is a field of tall, green grass. The trees in the background are tall and thin, with some evergreens and some deciduous trees. The mist is thick, creating a soft, ethereal atmosphere. The sky is overcast and grey.

- TIE SOME KNOTS -

**NEVER SKIP A CHAPTER
READ EVERY LINE...**

To create art,
you have to start somewhere.
Anywhere.

But for now, let us start with once upon a time...

Don't forget: 'Not all is black and white'.
Dive into colours... splish splash around.
Believe and create your own fairy tale.
Embrace all your knitting mistakes.
Remember to dare yourself every now and then
- you are (f)awesome!

Don't simply create something, own it.
And if you're unhappy... change it, cheer up and be bubbly!
And if you don't like the ending change the plot line.
Never forget,
'We're all work in progress,
and living work of art'.

We offer you the most perfect raw material for your craft(s).
The rest depends on you - wooladdicts.
